# Installation

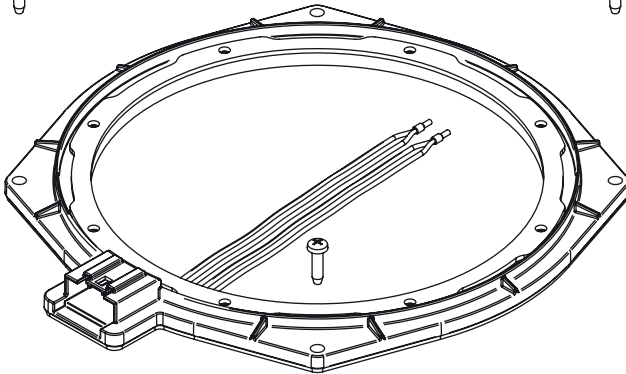

## Mounting

**Attention:** To avoid damage to the speakers, use the screws which are delivered with the adaptor. Do not use countersunk screws and do not overtighten the screws!

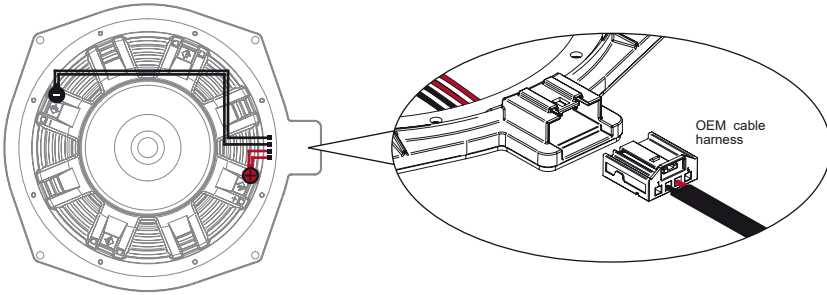

**Note:** To attach the adaptor, use the original screws from the factory-fitted loudspeaker

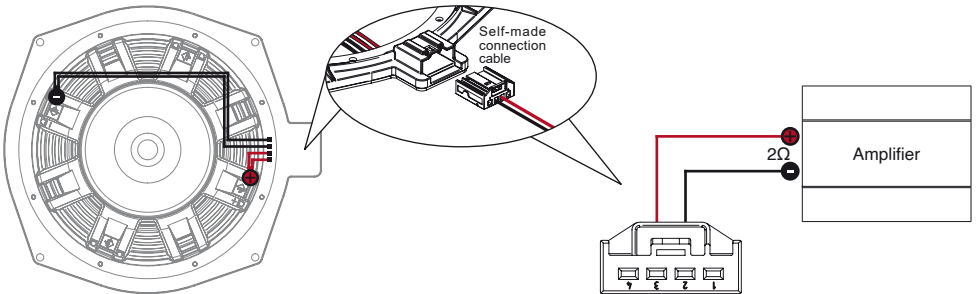

**Note:** Once the installation have been completed, the grilles of the original factory-fitted loudspeakers can be refitted.

## Wiring

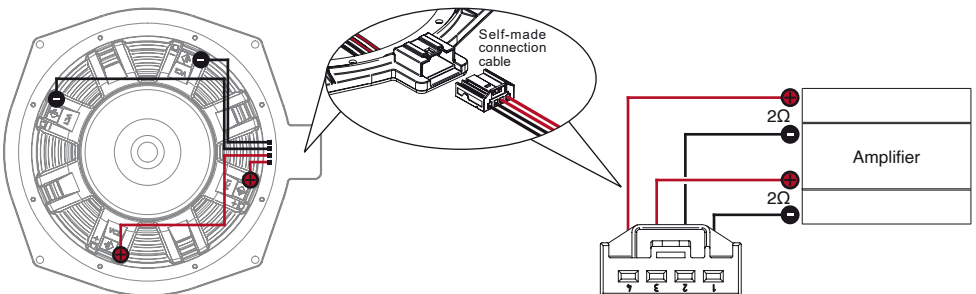

**Factory replacement** with OEM wiring using the 1 x 2  $\Omega$  single voice coil **Ci5 S200FM-S2** hybrid woofer

**Custom installation** of the 1 x 2  $\Omega$  single voice coil hybrid woofer **Ci5 S200FM-S2** with self-made connection cable, enclosed connector plug, and crimp contacts

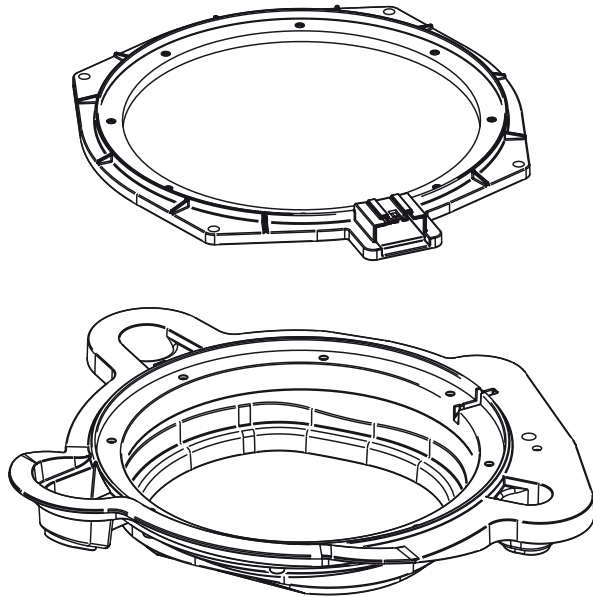

**Custom installation** of the 2 x 2  $\Omega$  dual voice coil hybrid woofer **Ci5 S200FM-D2** with self-made connection cable, enclosed connector plug, and crimp contacts

**Note:** Further wiring examples of the Ci5 S200FM-S2 and Ci5 S200FM-D2 can be found in the respective manual of the woofer.
